**DOTHAN BUSINESSMAN AND SENATE CANDIDATE GEORGE
FLOWERS REMEMBERS STATE REP. WARREN BECK**
OFFERS CONDOLENCES AND PRAYERS TO BECK FAMILY

Dothan – Dothan businessman and State Senate candidate George Flowers joined citizens across the Wiregrass on Wednesday in mourning the death of Representative Warren Beck (R – Geneva), who passed away suddenly while in Montgomery for the on-going legislative session. Flowers released the following statement:

“My wife, Laura, and I send our deepest condolences and heartfelt prayers to the family of Warren Beck. Warren was a dedicated public servant, a skilled lawmaker and, most important to me, personally, a true and dedicated friend.

Just recently, Warren and I met at Porky’s Barn in Geneva to talk politics, discuss the legislative session and share the fellowship of friends. I will deeply miss his insight, advice and wisdom.

He was a strong and respected voice for the citizens of the Wiregrass, and his passing leaves a void that will be difficult to fill.”
